# OUR CLUB

Welcome to Fingle Glen. We are a Country Club with a hotel & log cabins, 18 hole golf course, conference facility, and a newly refurbished Bar & Restaurant. Set in the the heart of the Devon countryside surrounded by farmland and rolling hills, we like to think its an ideal setting for your next visit, conference, or function.

Here at Fingle Glen, we like to think we have something for everyone. We pride ourselves on our personable and friendly staff and our aim is to make sure your conference or event goes as smoothly and hassle-free as possible.

While we are set in an idillic location, by no means are we isolated. The hustle and bustle of Exeter city centre is just a 15 minute drive away and were located just off the A30 and within 15 minutes drive of the M5. We're easy to find, have ample free parking for over 100 cars, are coach friendly and also have disabled access.

Let us do the hard work for you so you can focus on the important parts!

## TEAM BUILDING

'Despite its reputation for being, well, "lame", team building is the most important investment you can make for your people. It builds trust, mitigates conflict, encourages communication, and increases collaboration' (Forbes Magazine, 2016).

We believe we can offer you the perfect opportunity to do just that.

Not only do we have ample space available for you to organise your own activities, but we also have an 18 hole Golf Course and Driving Range to liven the day up. Many other activities can be organised to form part of your day including Laser Clays, Archery, Lawn Games, Use of Bar & Garden Terrace for post conference drinks or maybe an evening after party complete with Disco or anything else you like the sound of.

Give us a call to discuss what we can do for you.
